Acts 23:23-35

1. What happened to Paul in this passage?

2. According to Claudius, what was Paul on trial for and what was the tribunal seeking to do with Paul?

3. Who is Felix, and what does he do in regards to Paul?

4. Paul is now going to be on trial in a Roman court, and be accused by the Jews. Paul is still not in Rome, like Jesus said. What does this tell us about Jesus' words, and about Paul's faith?
