Acts 24:22-27

1. After reading this passage a second time, what stood out to you and why?

2. How would you feel waiting over two years for an answer to prayer like Paul has done?

3. Why do you think God is waiting to fulfill what Jesus said to Paul that he would go to Rome?

4. Paul is still proclaiming Christ while in prison, how can we be faithful to proclaim Christ even when we feel like our lives are in a rut?
