Acts 24:1-27

1. How would you respond if God told you he would answer your prayer but only after you waited 2 years?

2. Why might God be "slow" to answer our prayers?

3. What has God called for you to do in this life? If you don't know pray about it now. How can you be faithful to this calling? What will you start/stop doing to help make this happen?
