Acts 25:13-22

1. What did Festus tell King Agrippa about Paul?

2. Does Festus believe Paul deserves death? Why?

3. What is King Agrippa's decision about Paul?

4. Paul is now going to have to defend himself before the king, and this is another delay in going to Rome. What does this show us about how we should defend our faith against those who consistently challenge us?
