January 12

Nehemiah 3-4

1. What stood out to you this time as you read these chapters?

2. How does prayer fit into Nehemiah's plan to rebuild the walls?

3. How are we like Sanballat and those who are opposed to God's Work? (Hint: Think of the Gospel)

4. Does the opposition stop after Nehemiah prays, and they continue to build the walls? Why is that important?
