Nehemiah 1-2

1. After reading these chapters again, what stood out to you that didn't before?

2. Why are some people resistant to the work of God?

3. How can we as Christians, make sure we are supporting the work of God in others, and not against it?

4. Has God called you to do something far greater than you think you can accomplish on your own? Explain. If not, what if He did, how would need to rely on God?
