Nehemiah 4:1-14

1. Who is Sanballat and where is he from?

2. Who was against the rebuilding of the wall?

3. What was the response to the opposition?

4. Even though these faithful men and women prayed that they would be delivered they still readied themselves for a fight? How can we learn from this example when we pray to God? Can we be faithful even if we prepare for God not answering our prayer?
