Acts 21:27-36

1. Who were speaking and rioting against Paul?

2. Who saved Paul from being beaten?

3. Why would Luke (the writer of Acts) want us to know that it was the Roman authority that saved Paul from the mob?

4. Paul was rejected by the Jews because they misunderstood his preaching Christ as replacing the Jewish law. How can we be misunderstood when we speak to people about Christ?
