1 Peter 1:13-25

1. Read Isaiah 40:6-8. This passage is quoted in verse 24. Why is Peter quoting it here? What does this quote emphasize about what Peter is telling his audience?

2. In verse 22 Peter uses the phrase "born again" for the second time in this book so far. What does it mean to be "born again?"

3. As a Christian how can I be holy? What does holiness look like in my life now? Where in my life can I be more holy? What would that look like?
